COLLECTION

Welcome to Escapology Where Inspired Living Begins

At Escapology, we believe home should be a place of comfort, creativity, and escape – just like the boat that gave our company its name. Based in the heart of Lydney, we are a family-owned retailer dedicated to crafting exceptional kitchens, bathrooms, home offices, and bedroom furniture that blend timeless style with outstanding functionality.

Escapology isn't just a name – it's a story. During their formative years, our founder's children spent weekends aboard *Escapology*, a boat that inspired adventure, imagination, and a deep appreciation for beautifully designed spaces. Today, that same spirit guides everything we do, helping create homes where people can truly live, work, and unwind with ease.

Whether you're dreaming of a sleek, modern kitchen, a spa-like bathroom, or a refined workspace, our expert team is here in Lydney to bring your vision to life with quality craftsmanship and thoughtful design.
